

## **Deceased Members of CUPE 955 Richmond Unit Bursary**

**Amount:** \$500

**Awarded to:** a graduating Richmond Education Centre/Academy student who will be going on to post-secondary education.

**To qualify:** a student must have a parent or grandparent who is a CUPE 955 member. Preference will be given to children over grandchildren. No preference given to permanent member over casual/term member's child.

If more than one graduate qualifies equally, a name will be drawn from a hat.

A cheque for \$500 will be issued when the Union Secretary is sent confirmation of second-term enrollment by the student.

When the recipient is chosen, a letter will be given to the school to give to the graduate outlining what they must do to redeem their bursary.
